***This year BSL Zenith ran the highest number of National Academic competitions since it began in 2001.***

***These competitions covered a wide range of the Key Learning Areas. Included were ICAS Science, ICAS Maths, ICAS English, ICAS Computer, ICAS Writing, National Geographic, Rio Tinto Big Science, Australian Business Studies and Australian Maths Competition (formerly known as Australia Westpac Maths Competition). Students also competed in team competitions such as Pacific Coal, McDonald's Maths and the Australian Maths Olympiad. Students are able to achieve results including Participation, Credit, Distinction and High Distinction. 45 students participated with a total of 125 entries, some students entering up to 8 competitions. The results were equal if not better than the State average. Seven students received High Distinctions with 38 receiving Distinctions.***
